LEVEL 1 - GARDENER

1	Do one of the following:	
a.	grow an indoor plant and care for it for one month.	
b.	plant and raise at least one vegetable for use by your family.	
c.	grow a vegetable or flower from seed. This could be in a pot or a garden bed.	
2	Discuss plants that are suitable for your area and which ones you would like to grow and why.	
3	Identify weeds in your garden and assist in weeding a garden.
