

LEVEL 2 - FISHING

1	Discuss the safety precautions, including sun safe precautions, to be taken when fishing from rocks or from a boat.	
2	Discuss how to find out in advance the expected weather and water conditions where you will go fishing.	
3	Participate in at least three fishing trips and keep a log showing:	
a.	time and date of trips.	
b.	time of low and high tides, if applicable.	
c.	number and type of fish caught.	
4	List three types of bait that is appropriate to use where you go fishing, where to get it and how to keep it fresh.	
5	List the minimum size for five fish types in the area where you fish.	
6	Show how to clean and maintain your fishing gear.
