TRAVEL TIPS

WHEN TO GO

South East Queensland has a subtropical climate and is warm year-round. Winter offers beautiful, clear days and cooler nights, while the summer heat is perfect for spending entire days in the water.

The shoulder seasons, April to May and October to November, will be quieter but warmer, and pleasant for spending long days on the beach. The warmer months of December to March are more humid and can bring tropical showers and storms. See migrating whales from June to November.

BEACH SAFETY

Queensland has some of the world's best beaches, however care and caution should be exercised at all times. Please remember to swim between the red and yellow flags and listen to instructions from lifesavers and lifeguards.

SCHOOL LEAVERS CELEBRATIONS

Each year from mid-November to mid-December, school leavers from Queensland and southern states head to the Gold Coast and Sunshine Coast for School Leavers celebrations. During this period, bonds and conditions may apply to some properties. Check with your travel agent at the time of booking.

GETTING AROUND

Take the time to explore as you make your way around South East Queensland by road. Discover a laidback lifestyle, beautiful beaches and subtropical rainforests. Ask your travel agent about current great offers and specials. See pages 14 and 15 for car hire options.

PARADISE COUNTRY

Paradise Country is fast becoming the Gold Coast's favourite new destination for a fun family day out. It's all about creating lasting memories as you experience life on an authentic Aussie Farm.

There's nothing quite like the feeling you get from watching stockmen and their dogs round up a flock of sheep, crack a stockman's whip or put their trusty stockhorses through their paces. You'll even get the chance to sample some of our delicious billy tea and learn how to make traditional damper before heading to the shearing shed for Ram Parade and Sheep Shearing Display.

Shaun the Sheep has embarked on an Australian adventure with he and his flock spreading their outrageous behaviour, sheepish shenanigans and panic in the pasture at Paradise Country with a host of attractions and a new adventure show.

BRISBANE CITY & SURROUNDS

Blessed with subtropical weather all year round, Brisbane is the perfect place for a relaxing and fun-loving getaway. The city captivates with world class shopping, cutting-edge dining and attractions that beckon you outdoors. Here are a few of our favourites.

HOWARD SMITH WHARVES

The historic wharves are located on the edge of the city beneath the Story Bridge and are the city's newest entertainment and dining precinct. Home to acclaimed restaurants, bars including Felons Brewing Co. and Mr Percival's, green spaces and a boutique hotel, it's the perfect spot to enjoy a drink and a bite to eat while taking in the amazing city and river views.

FORTITUDE VALLEY

Known as 'The Valley', it is a hub of activity where sophisticated style meets off-beat charm. Be spoilt with the dining options, from street food to fine dining, The Valley has it covered. Shop for one-of-a-kind finds or browse the boutiques along James Street. After dark is when The Valley really comes alive with rooftop bars, clubs where you can dance all night, and a thriving live music scene.

BRISBANE RIVER CITYCATS

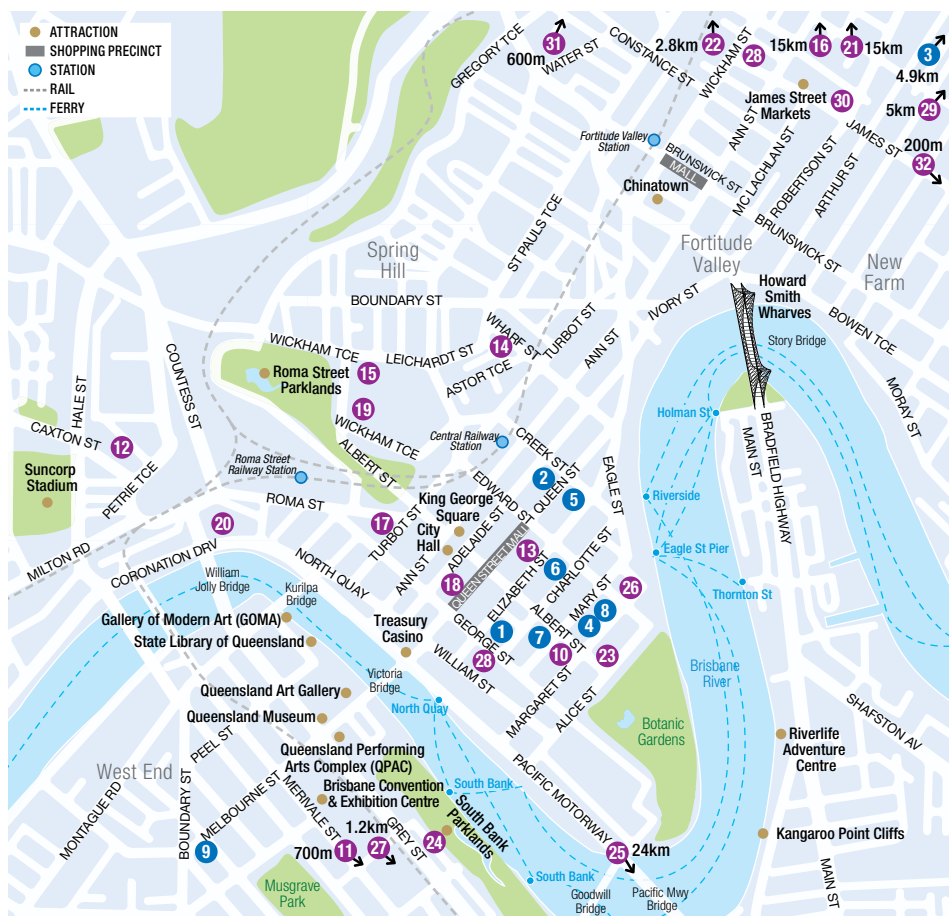

The iconic Brisbane River flows through the city linking the inner city precincts with a range of attractions and outdoor activities. Hop on a CityCat to see Brisbane from a different perspective. Running from the University of Queensland to the Hamilton Northshore, cruise past riverside mansions, parklands and Brisbane landmarks such as the Story Bridge and the Kangaroo Point Cliffs.

EAT STREET MARKETS

This foodie heaven is located by the river in the suburb of Hamilton and is not to be missed. Made up of 180 converted shipping containers, it is a feast for the senses as the sights, smells, tastes and sounds come to life every weekend. Sample dishes from all over the world and enjoy the decadent and Instagram-worthy desserts from KombiAlley while listening to live entertainment.

Streets Beach, Southbank, Brisbane, Queensland

SUNSHINE & FRASER COASTS

Home to a picture-perfect coastline, spectacular beaches and framed by lush hinterland, immerse yourself in the relaxed coastal lifestyle of the Sunshine and Fraser Coasts. Here are a few of our top picks.

NOOSA

Chances are Noosa is your idea of a perfect holiday destination. While its centre is a sophisticated resort town bursting with alfresco restaurants, cafés and stylish boutiques, it is also a mecca for families and couples. Learn to surf or try stand-up paddle boarding on the popular Main Beach. Walk along the Noosa National Park coastal track for breathtaking ocean views. Keep an eye out for pods of dolphins in Laguna Bay and spot sleepy koalas perched in the trees.

THE ORIGINAL EUMUNDI MARKETS

No matter what the weather, every Wednesday and Saturday the quaint country town of Eumundi comes to life as locals and visitors explore the renowned markets. With over 600 stalls selling locally made artisan treasures it is the biggest art and craft market in Australia and is shaded beneath leafy fig trees. Take a break and rejuvenate with a massage, have your palm read or listen to the live music while sipping a Sunshine Coast grown coffee with a home baked treat.

THE NOOSA EVERGLADES

The Noosa Everglades are one of only two everglade systems in the world. Explore the area on an eco-cruise or in a kayak and see banksias, tea trees, melaleucas, and water lilies along the water's edge. Look out for pelicans, cormorants, eagles or rare jabirus that either visit or live in the area. Marvel at the reflections on the water that appear like a mirage; it's no surprise that the upper reaches of the Noosa River are often referred to as the River of Mirrors.

THE GLASS HOUSE MOUNTAINS

The Glass House Mountains rise dramatically from the surrounding landscape and are a distinctive landmark in the Sunshine Coast Hinterland. Formed 25 to 27 million years ago from volcanic activity, these magnificent rocky outcrops tower over pineapple plantations, bushland and cultivated fields. Today they are a popular location for bushwalkers and hikers to explore or enjoy scenic views from the lookout in Beerburum State Forest.

Noosa Everglades, Noosa, Queensland

Maheno Shipwreck, Fraser Island, Queensland

THE BEACH HIGHWAY

Located on the east coast of Fraser Island, 75 Mile Beach is the perfect stretch of sand for beach driving and to enjoy the island's natural attractions. Cool off in the Champagne Rock Pools before climbing to the top of Indian Head for stunning island views. Continue down the beach highway to the cliffs of coloured sands, float down Eli Creek and stop at the Maheno shipwreck, the perfect spot for a selfie, especially at sunset.

GREAT SANDY STRAIT

The calm, clear waters of the Great Sandy Strait belong to the UNESCO Great Sandy Biosphere. Whales aren't the only marine life you will find here, see dugongs, turtles and rare Indo-Pacific humpback dolphins. Hire a boat and sail this marine sanctuary, make sure you stop at the stunning sand bank, Pelican Bank. Explore the fishing hot spots and discover Woody Island, home to several Heritage Listed lighthouses.

Noosa Beach, Queensland

NOOSA

Noosa is the perfect place for a coastal escape. Stay in the heart of it all at Noosa's Hastings Street, a hub of activity with a cosmopolitan flavour.
