TRAVEL TIPS

WHEN TO GO

With plenty of sunshine and warm seas year round, the Whitsundays and the islands of North Queensland are hard to beat. The tropical climate follows two distinct seasons. The dry season, from April to October, features mild to warm daytime temperatures and cooler nights, making it a popular time to visit. The green season is from November to March when it's hotter with higher humidity.

There isn't really a bad time to visit the Southern Great Barrier Reef. The area enjoys a subtropical climate year round. The winter months of June to August are mild and dry whereas the summer months are hot and humid. This makes it perfect for spending days on or below the water.

GETTING AROUND

By Rail

Enjoy Queensland's coast in comfort aboard the innovative Tilt Train from Brisbane to Rockhampton or the Spirit of Queensland from Brisbane to Cairns. Refer to our Queensland Rail Holidays brochure for details.

By Car

Take the time to explore as you make your way around the Whitsunday and Central Queensland Coasts by road from the comfort of your rental car. See pages 12 and 13 for car hire options.

BEACH SAFETY

Queensland has some of the world's best beaches, however care and caution should be exercised at all times. Please remember to swim between the red and yellow flags and listen to instructions from lifesavers and lifeguards. Marine stingers are present in coastal waters from October to June, so please heed warning signs and look for netted enclosures for safe swimming. In the Whitsundays, swimming is not permitted in Cid Harbour.

EXPERIENCES YOU'LL LOVE

The best part of any journey is the experiences you have along the way, leaving you with memories to relive long after the holiday is over.

Queensland's Islands and Whitsundays have countless amazing things to see and do. Here are five of our favourites to inspire your wanderlust.

Hamilton Island, Whitsundays, Queensland

Whitehaven Beach, Queensland

SAILING

If stopping on a deserted beach to see an amazing sunset or dropping anchor to snorkel away from the crowds appeal, consider a cruise or hire a yacht and discover the Whitsunday Islands. Choose a skippered boat, sit back and let your skipper show you the best of the Whitsundays. Or be your own captain and embark on a bareboating adventure. Cruise through the calm waters of Nara Inlet, stop off and relax on the white sands of Chalkies Beach, and snorkel coral reefs at Cateran Bay. With 74 Whitsunday Islands to choose from, your options are endless.

WHITEHAVEN BEACH

Stretching along the southern side of Whitsunday Island, Whitehaven Beach is consistently rated as one of the best beaches in the world. With crystal clear water and pristine white sand, it's no wonder this is one of the most photographed beaches. Take a day cruise or skipper yourself and experience the beach in total seclusion. Stroll along the seven kilometre stretch of white silica sands, swim in the warm water and walk to Hill Inlet Lookout to see the contrast of colours. For unforgettable views, take to the skies for a scenic flight over this stunning beach.

Whitsundays, Queensland

GREAT BARRIER REEF

Tick the Great Barrier Reef off your bucket list. Snorkel or dive to discover coral reefs, colourful fish and shipwrecks that are now home to a variety of undersea life. Stay on one of the islands right on the reef and snorkel straight from the beach. They offer an abundance of coral gardens to explore and marine life to see including fish, turtles, rays and reef shark. For a once-in-a-lifetime experience, why not spend a night on the reef under a blanket of stars or take to the air on a scenic flight to see iconic Heart Reef.

Heart Reef, Whitsundays, Queensland

From Queensland's Hill Inlet lookout see the breathtaking swirls of vivid blue water and the bright white sand of Whitehaven Beach

ANIMAL ENCOUNTERS

Nature lovers will enjoy Queensland's islands. Both Heron and Lady Elliot islands have an abundance of bird and turtle spotting opportunities. See the turtles lay their eggs in the sand between November and February and watch the hatchlings scurry towards the ocean in February and March. See the wild dolphins year round at Tangalooma Island Resort, have breakfast with the koalas at Hamilton Island Wildlife and get up close to the gentle giants of the sea on a whale watching cruise from Fraser Island between August and October.

Hervey Bay, Queensland

FRASER ISLAND

Discover World Heritage Listed Fraser Island, the world's largest sand island. Walk among towering ancient trees in rainforests growing out of sand and swim in the sapphire blue and emerald green freshwater lakes of McKenzie and Wabby. Follow Wanggoolba Creek as you stroll along the boardwalk at Central Station and float down Eli Creek. Travel by 4WD along the beach highway of 75 Mile Beach to see the Maheno shipwreck and the magnificent coloured sand cliffs, or just simply cast a line straight from the shore and wait for the fish to bite.

SOUTHERN GREAT BARRIER REEF REGION TOURS

BUNDABERG RUM DISTILLERY

There is no rum in the world that is quite like Bundaberg Rum. At the Bundaberg Rum Distillery you can get an insight into the history and production of this uniquely Australian rum.

DISTILLERY MUSEUM

Get to know the history of Bundaberg Rum on this self-paced, self-guided and interactive museum tour. As you step back in time to 1888 learn how nine ingenious locals created Bundaberg Rum as a way to use a massive surplus of Molasses.

The museum is housed in a retired Bondstore that previously aged some of Bundaberg's finest rums. Walk through a forest of 75,000 litre vats and see, touch and smell your way through the rich history of this rum.

DISTILLERY EXPERIENCE TOUR

Join one of the expert Distillery guides to see how 34 legends make over eight million litres of unmistakable rum. Start by visiting the molasses well, which holds up to five million litres of molasses, fresh from the

neighbouring Millaquin Sugar Mills. Then learn about the fermenting and distilling of the liquids. At the grand Barrel House, discover how the rum is aged and matured before it makes its way into a bottle. After experiencing the sights and smells of the distillery, return to the Bundaberg Rum Tasting Bar, to sample any of the top shelf rums.

BLEND YOUR OWN RUM EXPERIENCE TOUR

Take part in the world's first "Blend Your Own Rum" experience. Once the art of blending was solely a pursuit for the Master Distillers but now you have the opportunity to blend your own. On this tour, you'll spend an hour with two of the expert Rum Guides who will teach you the finer points of tasting rum straight from the barrel. Once you select your favourite drop, learn how to craft your personalised blend. Pour it direct from the barrel, cap and label it and leave with two bottles complete with your name. One to enjoy now and one for another day!
